3. Submit requests by the following deadlines:
  - Fall Semester      July 15<sup>th</sup>
  - Spring Semester    December 1st
  - Summer Semester    May 15<sup>th</sup>

## Financial Assistance

- BSACAP Head Start is the *Payer of Last Resort* for all approved Career Development Requests, meaning all other sources of financial assistance must be applied towards tuition costs before payment by BSACAP Head Start.
- A Free Application for Federal Student Aid (FAFSA) must be completed each school year. FAFSA applications may be completed online at: <https://fafsa.ed.gov/>
- A KHEAA Early Childhood Development Scholarship application must be completed each semester (this does not apply to Pike County BOE or Model City staff). Applications may be completed online by going to [www.kheaa.com](http://www.kheaa.com) and signing in on the KHEAA home page. First-time users will be asked to register before signing in.

Once you are signed in, select MYKHEAA and then click on Apply Online for Scholarships to reach the Early Childhood Development Scholarship application.

A FAFSA Application must be completed in order to apply for the KHEAA Early Childhood Development Scholarship.

- The cost per credit hour for undergraduate coursework at Morehead State University (MSU) is used to set the maximum amount of tuition assistance provided by BSACAP Head Start. MSU Tuition for 2016-2017: \$356 per credit hour.

## Maintaining Good Standing

4. A passing grade must be earned for all courses approved for tuition assistance.
5. Withdrawal from an approved course must occur on or before the drop/add deadline date set by the college/university and the Grantee Office must be notified that the course has been dropped.
6. If a course approved for tuition assistance has been changed to a different course, the Grantee Office must be notified as soon as the change has been made.

Failure to earn a passing grade, withdrawal after the drop/add deadline date set by the college/university, or failure to notify the Grantee Office of schedule changes made to courses approved for tuition assistance may result in being placed on probationary status for continued assistance. Subsequent failure to maintain good standing may result in ineligibility for any further financial assistance from the BSACAP Career Development Allotment.
