- February 1<sup>st</sup>-5<sup>th</sup>
- April 1<sup>st</sup>-5<sup>th</sup>

Remember: The Class Profile Report is found under the REPORTS tab of TSG. You will not want to print off this report until all your assessments are completed/finalized.

- Special Note: Look at the data from the Class Profile Report ESPECIALLY for the returning kids. In most cases you will want to show progression for those children. Example: Bella's Spring report shows that she scored a 5 on obj/dim 9d- Tells about another time or place. You would want to prompt Bella's thought process to ensure that she begins the Fall assessment at a level 5 on preliminary levels, when scoring.

### Lesson Plans:

- Use the information from the Class Profile Report to individualize on the lesson plans- this one is kept with the teaching staff and on the teacher's desk out of the parent's view.
- Post weekly lesson plans in a visible area (Parent friendly) in the classroom (Ex. on or close by the entrance or exit door). This will not be on the individualized copy.

### Observation Notes:

- At least one note per dimension
- Type in the number of notes needed to have one note per dimension then continue adding notes each week
- Write an in-depth description of occurrence/observation in detail when entering the note on Teaching Strategies GOLD. Make sure your note supports the dimension you've chosen.
- Individual notes are to be written on children each week.
- **Only one (1) GROUP NOTE each week is an option.**
- **Observations- Keep in mind that Grantee office managers will be asking to see your written notes. This will be a finding if they are not present with you in the classroom during the observation.**

### Emergency Preparedness:

- Fire drills are to be conducted at least 1 time per month.
- Earthquake drills are held at least 3 times during the program year: October, January, and April
