Self-Assessments - During October, November, December and January we will be evaluating our program. Parents are asked to serve on committees to look at different aspects of our program and see how improvement can be made or needs to be made. If you are interested in participating in these self-assessments, they take from an hour to an hour and a half to go over, please look at the monthly calendar to see what plans are coming up.

Parent Committee Meetings - All parents are member of Parent Committee Meetings. Our Parent Committee meeting takes place every month at each of the sites. It alternates between day time and evening. For more information on meeting times contact your locate Head Start Office. This gives every parent an opportunity to attend. Please come join us and get updates on upcoming events, give us ideas for new parent activities and how to make this program better for our children, families and community.

Policy Council - Our Policy Council meeting takes place the third Tuesday of each month at 10:30 a.m. Although all parents are welcome to this meeting to view the proceedings and to listen to the issues on the table, only Policy Committee members get to vote on the issues. If you plan on attending please let us know a day in advance so we can add you to our lunch list.
