

Model City Immunization Letter

Dear: Parent/Guardian

Our records indicate that your child's _____, immunization certificate expires _____. Your child must have an up-to-date immunization certificate the day after his or her immunization certificate expires to attend Model City Head Start. Failure to produce an up-to-date immunization certificate will result in your child being excluded from the Head Start program until a valid immunization certificate is received.

If you need assistance with this please call 606-434-7448.

Thank You,
