

**Big Sandy Head Start
PHYSICAL / DENTAL REFUSAL/WAVIER**

Head Start Performance Standards require all children receive well-child care services; including physical and dental examinations. We are here to assist you in obtaining these services. However, as the parent/guardian, you have the right to refuse these requirements.

The purpose of this document is to show evidence of the parent/guardian's decision not to obtain the Head Start required health and/or dental exams.

I, parent/guardian of _____, understand that Head Start Performance Standards require medical and dental examinations and chosen to not have these these exams, reported to Big Sandy Head Start at this time.

I also understand that at any time, I can obtain the medical or dental examinations and supply Big Sandy Head Start with records of those services.

I have decided not to consent to release of this information for the following reason(s): _____
